

Modern Myths about Satan and Spiritual Warfare

The modern spiritual warfare movement promotes a plethora of practices that raise serious questions in the minds of thinking Christians: Can we pull down principalities and powers over our cities? What did Jesus mean when He spoke of binding and loosing? Did Satan gain "Adam's lease" to be the "god of this world" at the fall of man? Can "Binding the strong man" result in more productive evangelism? Does Satan cause hurricanes, earthquakes and famines? Is Satan ruling world governments? Are there constant battles in the heavenlies between God's angels and Satan's angels? Why does God permit Satan to operate? What really happened to the devil when Jesus died on the cross? What did Paul mean when he stated that we wrestle against evil spiritual forces? Can a Christian be demon-possessed?

Modern Myths About Satan and Spiritual Warfare by David Servant offers clear, biblical answers to these and many other questions. This book can be read on line at: [Modern Myths About Satan And Spiritual Warfare](#)
